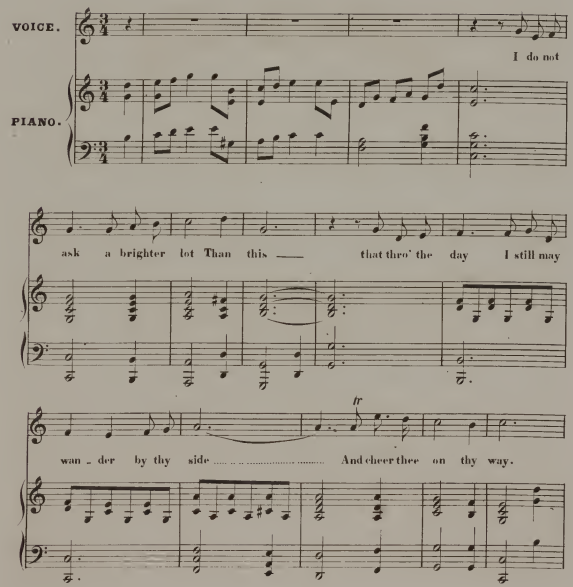
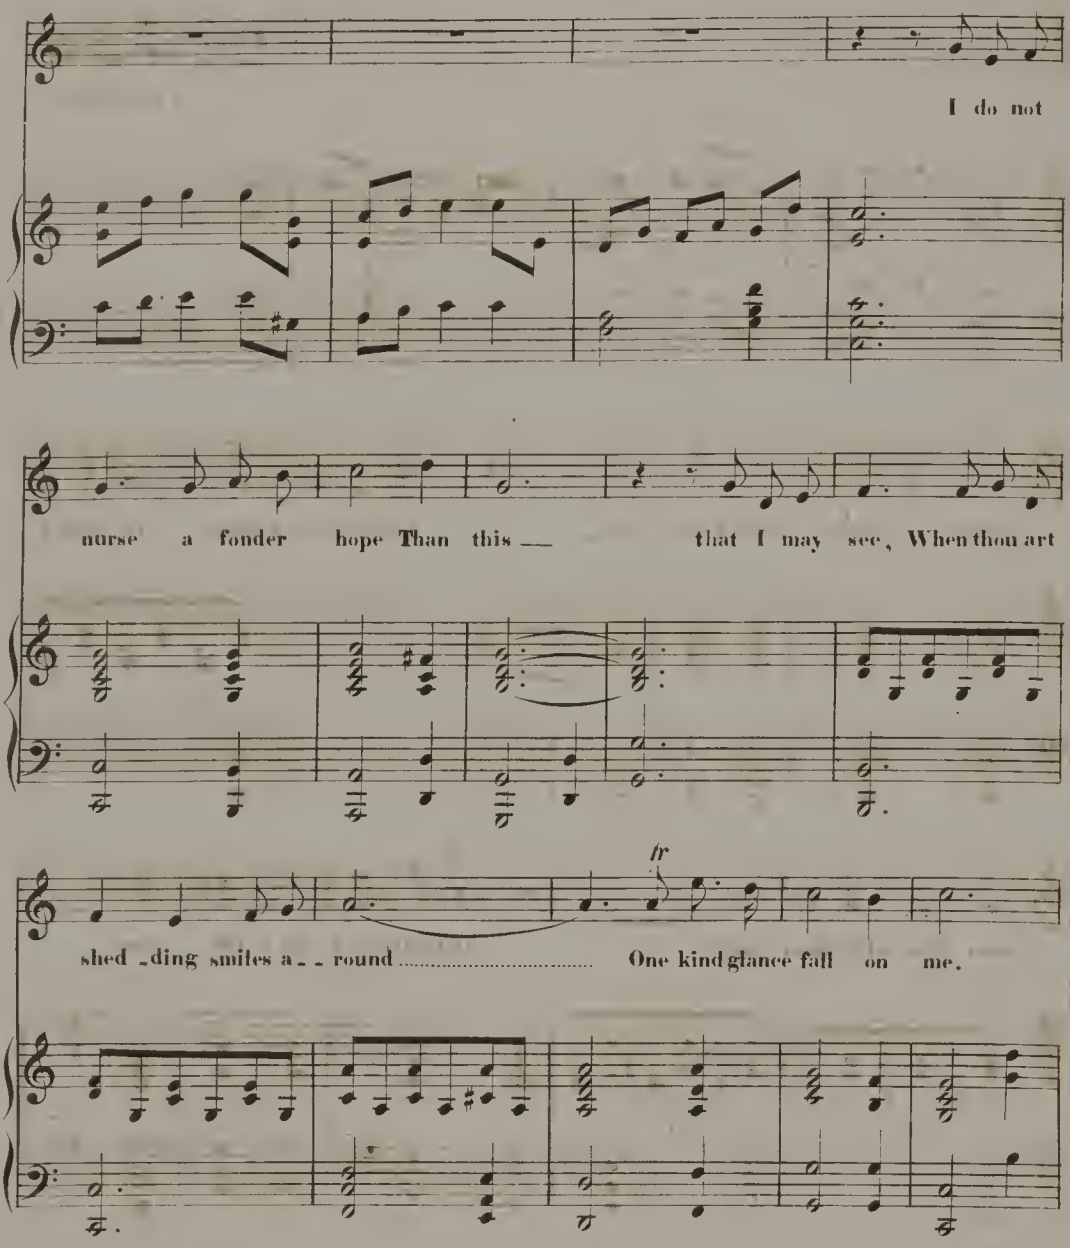
MY WISHES.

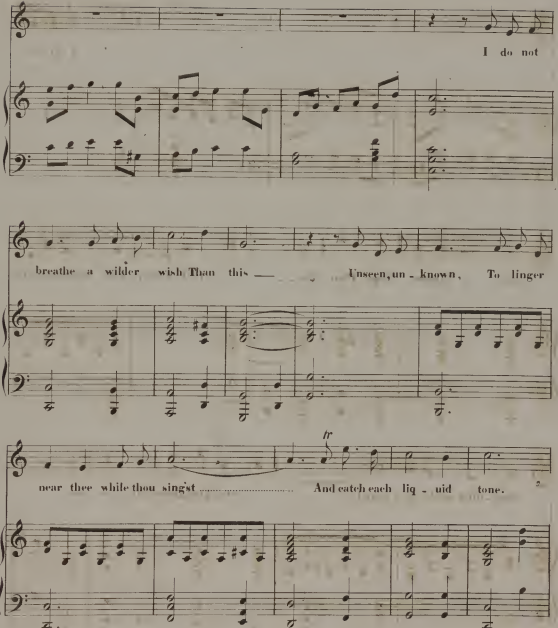
Words by Lady Flora Hastings.

C. MOULTON.

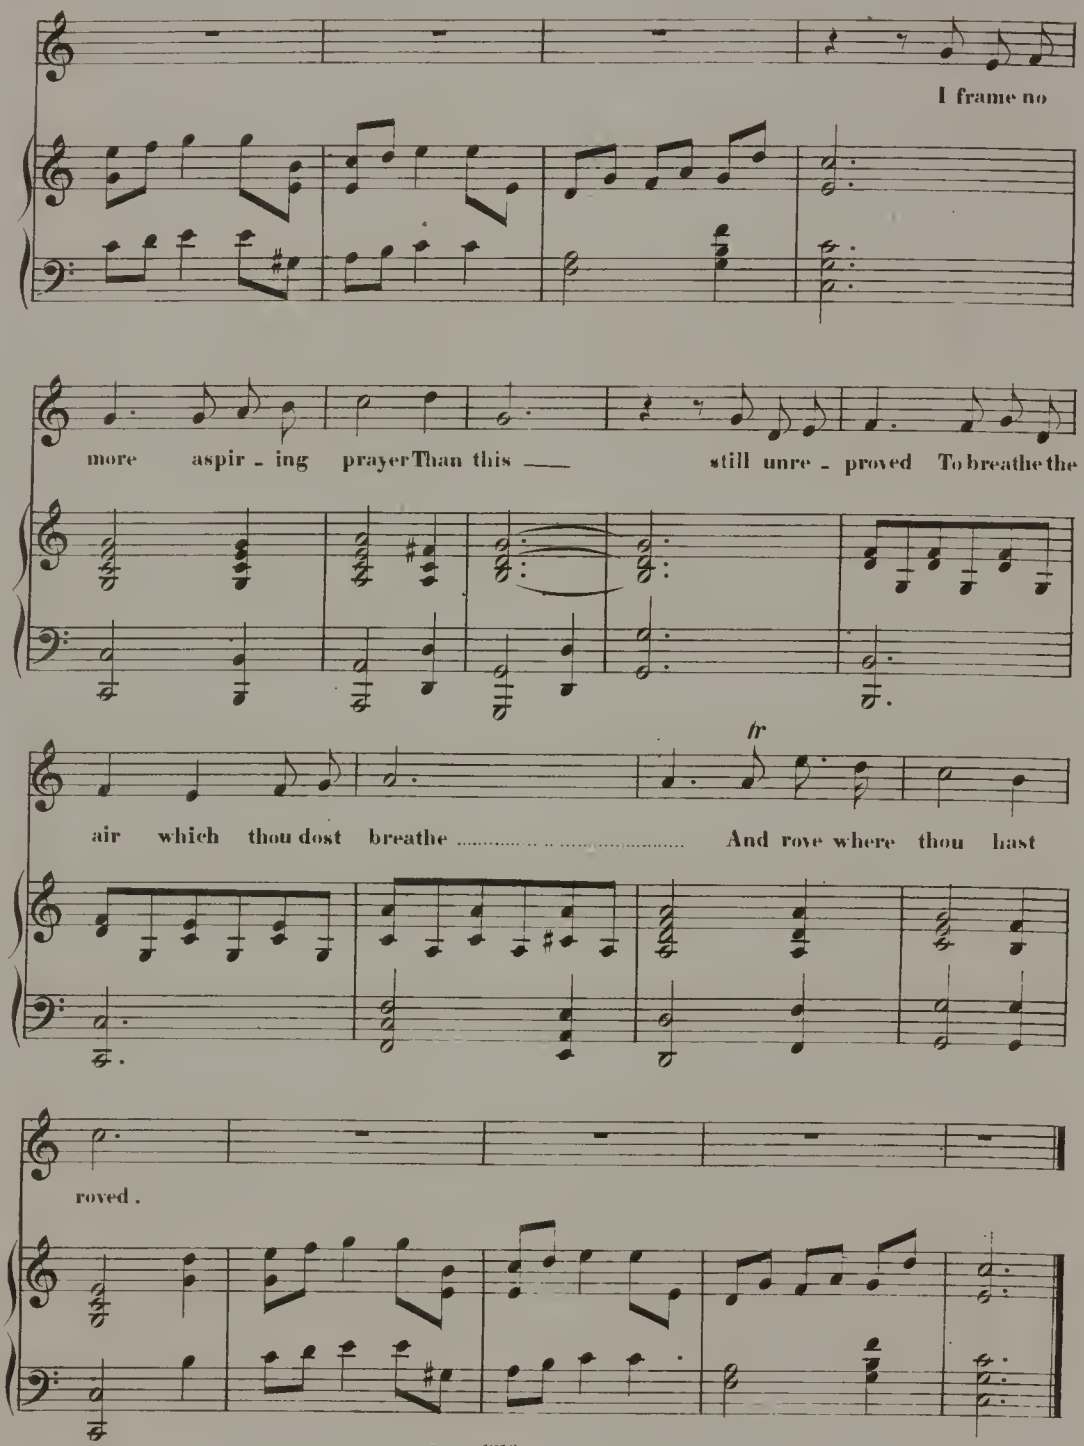




I do not
nurse a fonder hope Than this — that I may see, When thou art
tr
shed ding smiles a - - round ..... One kind glance fall on me.



I do not
breathe a wilder wish Than this — Unseen, un - known, To linger
tr
near thee while thou sing'st And catch each liq - uid tone.



I frame no
more aspir - ing prayer Than this ___ still unre - proved To breathe the
fr
air which thou dost breathe ..... And rove where thou hast
roved.
